BULLETIN #21

KTTV/KCOP
Los Angeles, California
Tuesday, May 1, 2012
5:00 P.M. (PDT)

The News and Engineering Committees met jointly today for more internal discussion of economic issues, particularly meal periods. The Committees then met briefly with the Company. It was our first negotiating session with new Vice President of Labor Relations Kevin Casey. The meeting went efficiently and resulted in a few tentative agreements on non-economic issues.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
