Both Committees met with the Company this afternoon to discuss issues related to ELC.

News Director Kingsley Smith announced that six per diems have been hired as staff employees since our last negotiating session in August. He also said he would “like” to hire more, but for now, the Company’s plans are to only use per diems for “fill-in” work.

The Engineering Committee will meet with the Company for the remainder of the week.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
