**BULLETIN #24**

KTTV/KCOP News  
Burbank, California  
Thursday, July 11, 2013  
5:00 P.M. (PDT)

The News committee met with the Company on Thursday. We discussed the significant savings the Company has achieved by eliminating overtime and meal penalties. By our estimate, based on information supplied by the Company, the savings amount to over \$1 million annually for the News unit alone.

We made a new contract proposal that the Company was not receptive to.

We remain far apart on a number of issues. No new bargaining dates are scheduled.

In the weeks and months ahead, it is very important for News members to participate in mobilization efforts, particularly because of the impasse and implementation that was forced on the Engineers.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
