BULLETIN #5

KTTV/KCOP
Los Angeles, California
Monday, July 18, 2011
5:00 - P.M. (PDT)

The News Negotiating Committee met with the Company today.

We asked for clarification on the status of daily hires and the recent cutbacks in some of their schedules. The Company said it intends to use dailies only for vacation relief. We also asked about any additional staff positions being opened and the Company said only one Bargaining Unit Member (a Producer for the 5 p.m. show) would be hired. Kingsley Smith also discussed the way staff is assigned currently and said that some schedules would change in the future. He also said some people would be doing totally different jobs, but he was not specific about the nature of those changes.

The Committee and the Company will meet again tomorrow Tuesday, June 19, 2011, at 10:00 a.m. in the second floor conference room. Any member of the bargaining unit is welcome to attend as an observer. Please contact a member of the Negotiating Committee if you are interested in attending.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
