Burbank, California
Monday, August 15, 2011
5:00 P.M. (PDT)

The Committee met with the company this afternoon.

There is really nothing new to report today.

We addressed some of the company's proposals in an attempt to find common ground.

Both sides will meet again tomorrow.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
