BULLETIN #4

KTTV/KCOP
Los Angeles, California
Friday, June 3, 2011
5:00 - P.M. (PDT)

The Union and the Company met today and the News Negotiating Committee presented the Union's Proposals.

Among the proposals rejected was one to raise the night differential rate. Not only was it rejected, the Company reiterated its proposal to completely eliminate any night differential.

We reached tentative agreement on a few minor items involving 401(k) and Flex Plan contributions, changing the Washington's Birthday holiday to President's Day and putting language in the contract to affirm the current practice of upgrading News Assistants to Satellite Coordinator, Weather and Traffic Producer and LNS Assignment Editor.

There will be membership meetings next Tuesday, June 7, 2011, for both the morning and night shifts to provide further details about the Company's proposals and our own. We will also discuss mobilization strategy to demonstrate to the Company that we are unified and that we will continue to fight for a fair contract. Further details on those meetings will be posted soon.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
