## NABET-CWA/NBCU NEGOTIATIONS

### New York City

BULLETIN #19  
March 22, 2010

NABET-CWA and NBC Universal negotiators met again last week in New York City to continue negotiations for a successor to the Master Agreement, which expired on March 31, 2009.

During this week of meetings, the parties continued to explore paths to resolve several remaining open issues. Discussions and counterproposals focused on matters related to seniority, short turnaround, wages, Content Producers/Digital Journalists and *Solutions* – the GE alternative dispute resolution program.

The parties have no scheduled future meeting dates, but have agreed to keep communication channels open.

In the meantime, members are reminded to ignore all rumors and contact your Local Union Office with any questions or concerns.
