**BULLETIN #22**

KTTV/KCOP  
Burbank, California  
Wednesday, January 16, 2013  
4:00 P.M. (PDT)

The News and Engineering Committees did not meet with the Company today. There were some off the record discussions, but we remain far apart on economic issues.

As you know, an informational picket is planned for Thursday, January 17, 2013, between 10 a.m. and 2 p.m. in front of the station. Signs will be provided by the Union. We do expect help from other labor organizations, but your participation is more important. Please wear red to work, even if your schedule does not allow you walk the picket line. We can send a message to the Company both inside and outside the building.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
